IN RE: CONCERT USA	DOCKET NOS. TCU-00-13 TCU-99-13
	CERTIFICATE NO. 0215

CERTIFICATE

(Issued June 15, 2000)

On March 17, 2000, Concert Communications Sales LLC (CCS) and Concert USA (Concert) filed a request for approval of a corporate reorganization. The reorganization, which the Utilities Board reviewed solely as a transfer of certificate, will involve a transfer of control whereby Concert would begin operating pursuant to the same tariff and operating authority, and employing the same customer service operations as previously used by CCS. This will also require the existing certificate of public convenience and necessity (Certificate No. 198), issued in Docket Nos. TCU-99-13 and TF-99-140, to be cancelled and a new certificate issued to Concert. An order addressing these matters is being issued simultaneously with this certificate.

IT IS THEREFORE ORDERED:

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1) (1999), authorizes Concert USA to furnish resold local telephone service throughout the service territories of U S West Communications, Inc., and GTE Midwest Incorporated as described on the date of issuance of this certificate in the tariff of Concert Communications Sales LLC, identified as TF-99-140, and, subsequent to the approval of the tariff of Concert USA, as described in its own tariff.
